It is a real pleasure for us to acknowledge and thank the many who have given us valuable and generous help toward the completion of this little history.

The gift by Miss Margaret Wager, of Lake George, New York, of old manuscripts, agreements, surveyors' notes, and other papers touching on the early days of the Point was greatly appreciated and exceedingly helpful.

We appreciate the valuable assistance given by Miss Edna L. Jacobsen, Associate Librarian of the Manuscript Section of the New York State Library in Albany, as well as the help given by Miss Mary Hubble, Librarian, Lake George Library and the many kindnesses shown by the staff of the Crandall Library, Glens Falls, New York.

We want to mention also the assistance of Mrs. Richard Brayton, Mrs. W. Harold Aderson, Mrs. Ruth T. Van Vranken, William H. Hill, George A. Webster, Milton W. Hamilton, Fred B. Chapman, Carl M. Thiessen, Harold Y. Bain, and C. C. Webb, County Clerk; Warren County, New York and members of his staff. Also, the help of my wife, Elsie and son, Bob, is much appreciated.
